

BVRIT Hyderabad College of Engineering for Women

Official Institutional Documentation and Reference Manual

1. About BVRIT Hyderabad

History and Background

BVRIT Hyderabad College of Engineering for Women was established in the year 2012 under the aegis of the Sri Vishnu Educational Society (SVES). The society was founded by the legendary philanthropist and industrialist, Late Dr. B.V. Raju, a recipient of the Padma Bhushan and Padma Shri awards. The institution was strategically conceived and established to empower women in technical domains, fostering a secure, highly competitive, and progressive learning ecosystem. It is permanently affiliated with Jawaharlal Nehru Technological University Hyderabad (JNTUH) and holds approvals from the All India Council for Technical Education (AICTE), New Delhi.

Vision

To become a premier destination for women's education, fostering academic excellence, innovation, and leadership to serve society.

Mission

- To provide high-quality technical education through innovative teaching-learning methodologies.
- To encourage research, development, and consultancy activities among faculty and students.
- To nurture professional ethics, leadership qualities, and entrepreneurial skills among women engineers.

Accreditations and Recognitions

- **NAAC Accreditation:** The college is accredited by the National Assessment and Accreditation Council (NAAC) with a prestigious 'A' Grade, verifying its adherence to top-tier pedagogical and infrastructure benchmarks.
- **NBA Accreditation:** Major eligible undergraduate programs—specifically Electrical and Electronics Engineering (EEE), Electronics and Communication Engineering (ECE), and

Computer Science and Engineering (CSE)—are formally accredited by the National Board of Accreditation (NBA).

2. Departments and Academic Programs

Undergraduate Programs & Annual Intake

The institution explicitly specializes in circuit and computing domains, providing extensive practical training tailored to meet dynamic industrial needs. The approved annual seat matrix for the core undergraduate courses is detailed below:

Program Name / Branch Specialisation	Course Code	Annual Seat Intake
Computer Science and Engineering	CSE	360
Computer Science and Engineering (Artificial Intelligence & Machine Learning)	CSM	120
Electronics and Communication Engineering	ECE	120
Electrical and Electronics Engineering	EEE	60
Total Approved Intake	-	660

Faculty Count and Ratios

The institution maintains a highly stable and structured faculty framework in strict adherence to AICTE guidelines. There are over 120+ full-time core faculty members deployed across the engineering and basic sciences departments, translating to an average Student-Faculty Ratio (SFR) of 1:15 to 1:20. A significant fraction of senior professors hold PhDs or are pursuing advanced doctoral research at premier national universities.

3. Admissions Criteria and Process

Eligibility Requirements

- **Academic Qualification:** Candidates must have successfully passed the Intermediate (10+2) examination conducted by the Board of Intermediate Education, Telangana /

Andhra Pradesh, or any equivalent examination recognized by JNTUH.

- **Subject Prerequisites:** The applicant must have completed the qualifying examination with Mathematics, Physics, and Chemistry (MPC) as optional subjects.
- **Minimum Marks:** A minimum aggregate of 45% marks in the core subjects is required for general category candidates, and 40% for candidates belonging to reserved categories, as prescribed by the Telangana State Council of Higher Education (TSCHE).

Entrance Examinations

- **TG EAPCET / TS EAMCET:** State-level entrance exam required for regular Category-A admissions. The EAMCET/ECET institutional code is **BVRW**.
- **TS PGECET / GATE:** Required for Post-Graduate M.Tech programs (Institutional PGECET code: **BVRW1**).
- **JEE Main:** Ranks are explicitly taken into consideration for Category-B (Management Quota) evaluation.

Admission Quota & Selection Process

1. **Category-A (Convenor Quota - 70% of Seats):** Allocation is fully automated and handled by the Convener of TG EAPCET/TS EAMCET based on the rank secured by the candidate, following standard reservation protocols during regular state web-counseling.
2. **Category-B (Management / NRI Quota - 30% of Seats):** Filled directly by the institutional management following rules issued by TSCHE. Selection criteria depend on absolute merit orders, utilizing JEE Main ranks, EAMCET ranks, or public 10+2 marks.

Key Dates and Timelines

The schedules for web-counseling, verification, and registration fees are updated annually in alignment with TSCHE directives (typically active between June and August of each academic cycle).

4. Fee Structure and Financial Assistance

Academic Fee Breakup

Fees are structured and fixed in strict alignment with notifications issued by the Telangana Admission and Fee Regulatory Committee (TAFRC). The annual fee specifications for the standard batches are detailed comprehensively in the table below:

Branch / Department	Tuition Fee (Per Annum)	NBA Accreditation Fee	JNTUH / Misc. Fee
Computer Science and Engineering (CSE)	INR 1,20,000	INR 3,000	INR 5,500
Electronics and Communication Engineering (ECE)	INR 1,20,000	INR 3,000	INR 5,500
Electrical and Electronics Engineering (EEE)	INR 1,20,000	INR 3,000	INR 5,500
CSE (Artificial Intelligence & Machine Learning) (CSM)	INR 1,20,000	-	INR 5,500

Hostel & Residential Fees

The safe, secure on-campus accommodation facilities for female students incur separate operational charges. The total annual hostel fee ranges between **INR 90,000 and INR 1,05,000** per academic year, which factors in boarding, balanced mess dietary meals, continuous electricity, hot water, and Wi-Fi access.

Other Charges

- **University Registration Fee:** Set directly per guidelines issued by JNTUH.
- **Transport Fee:** Varies dynamically based on the designated pickup point and bus route mapped across the twin cities of Hyderabad and Secunderabad.

Scholarships and Fee Waivers

- **Government Post-Matric Scholarships:** Eligible candidates belonging to SC, ST, BC, EBC, and Minority welfare categories receive tuition fee reimbursements (RTF) via the integrated Telangana epass portal.
- **Institutional Merit Scholarships:** The Sri Vishnu Educational Society (SVES) grants targeted financial waivers and monetary rewards to outstanding academic performers and economically weak background students.

5. Placements and Career Statistics

The campus operates a dedicated Training and Placement (TAP) Cell that bridges academic knowledge with high-stakes corporate recruitment environments. The cell coordinates year-round code training, bootcamps, mock interviews, and hackathons.

Key Performance Metrics

Placement Particulars	Current Batch Statistics	Previous Batch Statistics
Highest Package Offered	Rs 59.00 LPA	Rs 54.00 LPA
Total Combined Job Offers	533 Offers	669 Offers
Average Salary Package (Top 10%)	Rs 20.56 LPA	Rs 21.12 LPA
Average Salary Package (Top 25%)	Rs 13.06 LPA	Rs 14.40 LPA
Overall Placement Rate (Eligible Students)	Consistent at 85% - 95%	Consistent at 85% - 95%

Prominent Corporate Recruiters

Top multinational giants and product companies visit the campus systematically. Key recruiting corporations include: Qualcomm, Amazon, Microsoft, Adobe, John Deere, Capgemini, Tata Consultancy Services (TCS), NCR Corporation, NTT Data, Torry Harris, Wipro, Optum, Infosys, Deloitte, Accenture, and Cognizant.

6. Campus Infrastructure and Facilities

- **Central Library:** Comprises a vast respiratory layout with thousands of standard curriculum textbooks, research titles, reference publications, and subscription access to major international digital repositories like IEEE, Springer, and ScienceDirect.
- **Advanced Labs:** Houses state-of-the-art computational and experimental laboratories conforming to JNTUH standards. Noteworthy specialized infrastructure includes the unique Assistive Technology Lab (ATL), Internet of Things (IoT) Lab, VLSI Design Systems, and Data Analytics platforms.
- **Campus Hostels:** Secure in-house residential dormitories tailored specifically for female students, protected round-the-clock by specialized security guards and automated CCTV tracking. Features clean, spacious dining halls.

- **Sports & Recreation:** Comprehensive provisions for indoor and outdoor sports fields, encompassing dedicated basketball courts, badminton courts, table tennis blocks, and an internal gym facility.
- **Wi-Fi Connectivity:** High-speed internet access covers the entirety of the campus landscape, spanning library buildings, classrooms, and hostel facilities.
- **Transport Systems:** Operates a safe fleet of company buses navigating predetermined arterial routes to guarantee seamless transit for day-scholars across Hyderabad.

7. Faculty and Leadership Profiles

Key Leadership

- **Principal:** Dr. K.V.N. Sunitha (Ph.D. in Computer Science & Engineering. A prominent academician specializing extensively in Natural Language Processing (NLP) and Speech Systems, steering the research vision of the institution).
- **Department Heads:** Directed by specialized senior professors like Dr. M. Anita (Professor & Head of Basic Sciences and Humanities, Ph.D. from Osmania University) and other expert doctorates heading core technical engineering blocks.

Research Focus and Specialisations

The faculty body is deeply engaged in continuous academic development. Key fields of ongoing institutional research and expert publications include Computational Fluid Dynamics, Artificial Intelligence and Neural Networks, VLSI Architecture, Power System Optimization, and Smart Engineering utilizing MATLAB and Simulink.

8. Contact Information and Official Channels

- **Full Address:** BVRIT Hyderabad College of Engineering for Women, Plot No. 7, Station Road, Opp. Rajiv Gandhi Academy for Aviation, Bachupally, Nizampet, Hyderabad, Telangana, India - 500090.
- **Primary Support Lines:** +91-40-42417777 / +91-40-42417773
- **Admissions Desk Helpline:** +91 92471 64714 (Dr. J. Manoj Kumar, Professor i/c Admissions) / +91 91333 03144
- **Official Email Desks:** principal@bvrithyderabad.edu.in / info@bvrithyderabad.edu.in
- **Web URL:** <https://bvrithyderabad.edu.in/>
- **Social Media Portals:** Verified networks (LinkedIn, Facebook, YouTube, and X) can be monitored directly through interactive handles mapped onto the main website index footer.
